

Hi, we're **LUKE & BRIANNA**

Thank you for viewing our profile and considering including our family as part of your life journey, and giving us the gift of adopting your child. We cannot imagine what you are going through, but already know that you are brave and strong - and we are so thankful for that. We are grateful for the love you are demonstrating by considering an adoption plan. We want you to know that we will be devoted to care for, nurture and love him or her unconditionally.

We're committed to creating a relationship that works for everyone and that ensures your child knows you and your love for them. We are open to sending updates and meeting in person at your discretion. We will teach our future child the important role you play in their life story!

♥ The People We Love ♥

Luke is the middle child of three. He grew up in a loving home in a small town in BC with his parents and sisters, and had many aunts and uncles, cousins and grandparents close by. He is now the fun uncle to 6 nieces and nephews. He is close with both of his sisters and brothers-in-law.

Brianna is also the middle child of three. She grew up in a friendly rural Ontario town with her parents and siblings. They spent family vacations at their cottage or visiting grandparents and cousins in different parts of the province. She now has 2 young nephews who call her "Auntie Bri-Bri". She is very close with her parents, siblings and their families.

A child who joins our family will have 4 grandparents, 8 aunts and uncles and 8 cousins under 8 years old!

WHERE WE LIVE

We own a 3-level, 3-bedroom home in a friendly neighbourhood in the Lower Mainland. There are playgrounds, schools and parks nearby - not to mention the ocean, beaches, and mountains!

We have close friends with young children and a great church community nearby.

Brianna ABOUT MY WORK

Brianna works as a physician in family practice and in the ER. She has a lot of flexibility with her schedule and plans to work part-time while raising a family. She has always had a passion to care for others, and is looking forward to applying her skills to a new setting!

ABOUT MY WORK Luke

Luke works as a police officer in the Lower Mainland. He loves his job, but also loves his days off! Because he works shift work, he has plenty of time to spend with family.

our STORY

Luke grew up in BC and Brianna grew up in Ontario. We met in 2013 in Haiti while both doing aid work. We spent 9 months working alongside each other, but it only took us a few weeks to know we wanted to be together! We eventually married and moved to the Lower Mainland for Luke's job and to be close to family.

We have a very loving, supportive relationship and can rely on each other for encouragement and guidance in whatever we're facing.

We love to spend time with friends and family - vacations at the cottage in Ontario with Brianna's family or in the mountains with Luke's family. We have traveled a lot in our lives - for both work and pleasure, and have enjoyed experiencing many different countries, cultures and languages. We have been to over 50 countries combined!

On days off, we love to get outdoors - for walks, hikes, skiing, kayaking, boating or just sitting at the beach.

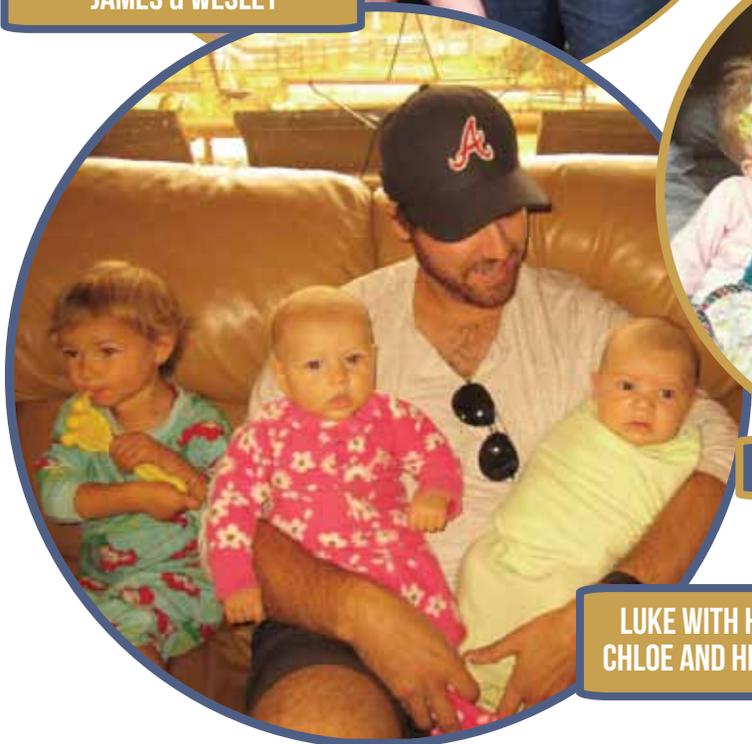

We have always wanted to adopt, even talking about it when we first started dating. We are so excited to grow our family in this way and have the full support of our family and friends.
